# GEN 2.7 SUNRISE/SUNSET

1. The tables on the following pages have been prepared from the Korea Astronomy Observatory and are reproduced here with their permission. The tables include 18 aerodromes, which is being served by the air traffic services in Republic of Korea.

1.1 The times in the tables are valid from 19 December 2025 to 31 December 2026, and are for the beginning of Civil morning twilight(TWIL From), Sunrise(SR), Sunset(SS), and the end of Civil evening twilight(TWIL To).

1.2 All time are given in UTC.

1.3 The times given for the beginning of civil morning twilight and end of civil evening twilight are calculated for a height of the Sun 6° below the horizon, as commonly used.

2. The tables provide data for selected aerodromes, as listed below.
